The list of arts organisations/individual arts workers specified as organisational/individual members of the nominating bodies for 2010 Nomination Exercise of the Hong Kong Arts Development Council was published in the Gazette on 11 June 2010.

The arts organisations published in the gazette must submit voter registration forms on behalf of their members to enable them to participate in the subsequent phases of the nomination exercise including nomination of candidates, electioneering and voting. Arts organisations registered as nominating bodies in 2007 or before must also submit voter registration forms afresh on behalf of their members this year.

The individual arts workers published in the gazette will automatically become voters and do not need to register.
